

# PHOEBE CRUMPTON M.S., CCC-SLP

Email: [pcrumpton@wisc.edu](mailto:pcrumpton@wisc.edu)

## EDUCATION

---

*University of Wisconsin (UW)-Madison, Madison, WI*

2025–

### **Doctor of Philosophy (PhD)**

Department of Communication Sciences and Disorders (CSD)

PI: Kimberly Mueller

2023

### **Master of Science (MS) Speech-Language Pathology**

Thesis: Speech-language Pathologists' Attitudes, Knowledge, and Academic Exposure to the Concept of Ageism

Advisor: Kimberly Mueller

2020

### **Bachelor of Arts (BA) CSD**

## RESEARCH EXPERIENCE

---

2025–

### **Project Assistant**

Cognitive-Communication in Aging and Neurogenic Disorders Laboratory (CCANDL), UW-Madison

PI: Kimberly Mueller

- Serve as the lab's student supervisor, managing 10+ undergraduate and graduate students to ensure they are keeping up with project deadlines, accurate data entry, and adherence to research protocols and lab procedures
- Support a cognitive vulnerable research study through participant recruitment, screening, consent, and technology training, while assisting with data collection, management, and team coordination to ensure protocol adherence and timely study progression

2023–2023

### **SLP Research Intern**

Emory Voice Center, Emory University School of Medicine, Atlanta, GA

PI: Amanda Gillespie

- Spearheaded a joint Emory University and Georgia Tech study examining the relationship between voice therapy and cognitive load, managing participant recruitment, cognitive assessment, and cross-team coordination to ensure timely project completion

2021–2022

### **Graduate Research Assistant**

CCANDL, UW-Madison

PI: Kimberly Mueller

- Transcribed and coded audio files from the Wisconsin Registry for Alzheimer's Prevention database using TalkBank CLAN, complete data entry in REDCap

2018–2020

### **Undergraduate Research Assistant**

Learning, Cognition, and Development Laboratory, UW-Madison

PI: Haley Vlach

- Assisted multiple cognitive development studies through participant recruitment, data collection via eye-tracking software, administration of cognitive assessments, and management of data entry and participant records

2018–2020

### **Undergraduate Research Assistant**

Vocal Tract Development Laboratory, UW-Madison

PI: Houri Vorperian

- Segmented 1500+ acoustic measurements analyzing word/vowel duration, voice onset time, and spectral moments, delivered weekly speech therapy sessions for participants with atypical vocal tract development. Proficient in Praat, TF32, and MDVP

## PROFESSIONAL TRAINING & EXPERIENCE

---

2024–2026

### **Speech-Language Pathologist, PRN**

UW Health Rehabilitation Hospital, Madison, WI

- Serve on an interdisciplinary team providing comprehensive assessment and evidence-based treatment for patients with aphasia, dysphagia, and cognitive-communication disorders resulting from TBI, stroke, and spinal cord injury, educating patients, families, and caregivers on communication strategies and swallowing safety

2024–2025

### **Speech-Language Pathologist**

CH Bird Elementary School, Sun Prairie, WI

- Managed a 40+ student caseload spanning autism, apraxia, fluency, and language disorders; conducted comprehensive evaluations, directed IEP meetings, and collaborated with multidisciplinary teams to implement evidence-based, individualized intervention plans

2023–2025

### **Administrative Assistant I**

Department of CSD, UW-Madison

- Assisted the CSD Department Administrator in producing semesterly newsletters by coordinating with students and faculty to gather current stories and photos, and designing original content via Eloqua software for departmental distribution

2023–2024

### **Speech-Language Pathologist, Clinical Fellow**

New Mexico VA Health Care System, Albuquerque, NM

- Provided full-scope inpatient and outpatient SLP services to veterans across voice, swallowing, motor speech, cognitive-communication, and head and neck cancer, utilizing instrumental assessments (FEES, VFSS, laryngoscopy) and specialized protocols including SPEAK OUT!, IOPI/EMST, gender-affirming voice care, and ALS interdisciplinary management

2022

### **Graduate Student Clinician**

SSM Health Hospitals of Wisconsin, Southeast WI

2022

### **Graduate Student Clinician**

Dewane Neurorehabilitative Pro Bono Clinic, Madison, WI

2022

### **Graduate Student Clinician**

Texas Voice Center – Houston Methodist ENT Specialists, Houston, TX

## LICENSURE & CLINICAL COMPETENCY

---

2024

Certificate of Clinical Competence in Speech-Language Pathology by Council for Clinical Certification in Audiology and Speech-Language Pathology

2024

Speech-Language Pathology license issued by the Wisconsin Department of Safety and Professional Services

2024

Speech-Language Pathology license issued by the Wisconsin Department of Public Instruction

## AWARDS & TRAVEL GRANTS

---

2026

Summer Support Scholarship, UW-Madison, CSD

2026

Alzheimer's Association 40<sup>th</sup> Annual Wisconsin State Conference Scholarship

2026

Emma Allen Fellowship Award

2021–2023

Graduation Research Scholar Fellowship, Academic Excellence Scholarship

## PUBLICATIONS

---

### Peer-Reviewed Journal Articles:

**Crumpton, P.**, Basche, K., Baker, A., Hermann, B., Caldwell, J., Reyes, R., Wilson, R., Chin, N., Bendlin, B., Zetterberg, H., Johnson, S., Kimberly Diggle Mueller, K., (in progress). The Association Between Plasma P-tau217, Sleep, And Speech Rate Over Time In Cognitively Unimpaired Older Adults.

He, D., **Crumpton, P.**, Basche, K., Hale, M., DeWitt, A., Cozad, H., Rudisch, D., Xu, L., Ciucci, M., Liss, J., Berisha, V., Mueller, K., (in submission). Mobile-Collected Respiratory-Phonatory Measures for Detecting Subtle-to-Mild Cognitive Impairment in an Alzheimer's Risk-Enriched Cohort. *Journal of Alzheimer's Disease*.

**Crumpton, P.**, Basche, K., & Mueller, K. (2026). Speech-Language Pathologists' Attitudes, Knowledge, and Academic Exposure to the Concept of Ageism. *Perspectives of the ASHA Special Interest Groups*, 11(3), 1053-1063.

Moonsammy, S. U., Procter, T., Goodwin, M. E., & **Crumpton, P.** (2024). Proactive strategies for breaking barriers: Advancing justice initiatives in speech-language pathology for diverse populations in voice management and upper airway disorders. *Perspectives of the ASHA Special Interest Groups*, 9(5), 1290-1300.

## PRESENTATIONS

---

\* Indicates projects where I served as primary mentor.

### Competitively Reviewed Conference Presentations – Oral:

Mueller, K., Leicht, L., Hale, M., **Crumpton, P.**, (2026). Speech-Language Markers of Lucid Episodes in People Living with Dementia for Clinical Practice. American Speech-Language-Hearing Association Convention, Indianapolis, IN, United States.

**Crumpton, P.**, Basche, K., Baker, A., Hermann, B., Caldwell, J., Reyes, R., Wilson, R., Chin, N., Bendlin, B., Zetterberg, H., Johnson, S., Kimberly Diggle Mueller, K., (2026). Associations between Perceived Stress, Sleep and Speech Rate in Preclinical Alzheimer's Disease. Cognition, Aging, and Speech Communication Conference, St. Louis, Missouri.

He, D., Sielaff, E., Basche, K., Hale, M., **Crumpton, P.**, DeWitt, A., Rudisch, D., Xu, L., Ciucci, M., Liss, J., Berisha, V., Mueller, K., (2026). Mobile-Collected Respiratory-Phonatory Measures for Detecting Subtle-to-Mild Cognitive Impairment in Alzheimer's Risk-Enriched Cohorts. Alzheimer's Association International Conference, London, United Kingdom.

## **TEACHING & MENTORSHIP**

---

### Teaching Assistant & Reader/Grader Roles:

2018–2021 *Peer Learning Instructor, Psychology 202, The University of Wisconsin-Madison*

### Lectures:

September 2026 *Building Brain-Healthy Habits, Alzheimer’s Association, Community Educator Presentation, Oak Park Place Janesville, Janesville, WI*

April 2026 *Metacognitive Strategies & Motivational Interviewing for Aphasia, UW-Madison, CSD 704: Acquired Language & Cognitive-Communication Disorders in Adults I*

February 2026 *Age-related Hearing Loss and Brain Health, Vista West Lunch and Learn, Madison, WI*

March 2024 *Spinal Cord Basics for the Speech-Language Pathologist, University of New Mexico Speech & Hearing Graduate Student Seminar*

### Mentorship:

2026 *PhD Peer Mentor, Climate and Belonging Peer Mentoring Task Force, UW-Madison of CSD*

### Student Mentorship:

2026–2027 *CS&D Honor’s Project, UW-Madison*

## **SERVICE**

---

### National & Regional:

2026– *Community Educator Volunteer, Alzheimer’s Association, Wisconsin Chapter*

2026– *Community Representative Volunteer, Alzheimer’s Association, Wisconsin Chapter*

2022–2023 *National Committee Member Volunteer, National Student Speech Language Hearing Inclusion, Diversity, Equity, and Action Work Group*

### UW-Madison:

2026 *Event Volunteer, Wisconsin Alzheimer’s Institute 24<sup>th</sup> Annual Update*

2026 *Event Volunteer, Solomon Carter Fuller Brain Health Brunch*

2022–2023 *Dementia Partner Volunteer, New Friends Program*

### Department of CSD, UW-Madison:

2026 *Research Intern Coordinator, Intensive Research Experience for The University of Texas at El Paso SLP Graduate Students, UW-Madison Department of CSD, CCANDL*

2021–2023 *Committee Member, Diversity, Equity and Inclusion Committee Admissions and Recruitment Subcommittee UW-Madison Department of CSD*

2021–2023      *Co-founder and Co-President, Students of Color Affinity Space, UW-Madison Department of CSD*

**PROFESSIONAL MEMBERSHIPS**

---

2025–      Alzheimer's Association International Society to Advance Alzheimer's Research and Treatment

2024–      American Speech-Language-Hearing Association

2023–2024      New Mexico Speech, Language, Hearing Association

2021–2023      National Student Speech-Language Hearing Association
